Mission

We teach the power and practice of debate to young Americans

Vision

We envision a nation in which young Americans harness the power of debate to learn more, communicate effectively, to engage in thoughtful and respectful dialogue, fostering a nation enriched by diverse perspectives and collaborative problem-solving.

Programs

Tournaments - Our flagship program. We host regional no-cost tournaments where students debate timely and timeless topics and are evaluated by our citizen judges.

Classroom - Incubate in the Classroom is where teachers turn their classrooms into civil, educational spaces for debate and the clash of ideas.

Campus - Incubate on Campus hosts engaging, civil debates on college campuses where students exchange ideas and perspectives on important issues.
